# ACTIVITY PRACTICE TARGET

25 m

Rimfire rifle · 5 shots · isitapproved.co.za

|         |  |         |  |
|---------|--|---------|--|
| Date    |  | Range   |  |
| Firearm |  | Calibre |  |
| Notes   |  |         |  |

|                    | X | 10 | 9 | 8 | 7 |
|--------------------|---|----|---|---|---|
| Pure shots in ring |   |    |   |   |   |
| Cut shots (line)   |   |    |   |   |   |
| Score per ring     |   |    |   |   |   |

|           |            |
|-----------|------------|
| Shots     | Total      |
| <b>/5</b> | <b>/50</b> |

Measure this bar: it must be exactly 100 mm. Print at 100%, not "fit to page".

A cut shot breaks the line between two rings and counts as the higher ring. A shot in the X ring counts as 10.

For your own practice. It is not an official target of any association, and it is not a postal or competition target.

Use your association's own targets for anything you submit to them.
